Net Sales of UCITS

(1) All figures presented in euro billions unless otherwise stated. Figures based on data collected from participating national associations (more than 98% of European investment fund assets, excluding Dutch data due to unavailability). Until July, UCITS defined as publicly offered open-ended funds and non-UCITS as other national regulated funds. Starting in August, UCITS and AIF classified according to regulatory definition. (2) Change calculated by comparing present month to previous month.
